## AMERICAN COLONIZATION SOCIETY.

The annual meeting of the New York Branch of e American Colonization Society was held yesterday afternoon in the society's offices, in the Bible

The report of the Board of Managers was read by Rev. George W. Sampson, D. D., and in substance is as follows:—After referring to some diminution in the collections in aid of the society during the past year, which the writer attributes to "the occupadon of the public mind with the Presidential elec-

tion of the public mind with the Presidential election," it continues as follows:—

By the present arrangement for sending emigrants new colonists are occasionally brought to
New York. They are visited by reporters of journals which control public opinion throughout the
entire country, and new impressions of the worthy
character of the people sent out to Liberia and
their high aspirations in their mission to
the land of their ancestors are beginning
to prevail. This was especially illustrated in the
case of the 150 emigrants from Georgia sent out
but a few weeks since, when the comfortable arrangements for the emigrants and the heeral
provision for them by the Liberian government
and the Colonization Society, were commended in
a spirit of candor and even of enlogy. The recent
explorations in Central Africa prompting as they
have the English government to initiative efforts
for the suppression of the slave trade, have
brought into lavorable contrast the ameliorating
and persuasive influence of colonization in Africa
by Christian natives. English capitalists, quicker
to appreciate this power and promise than American philanthropists, are availing themselves of it
by lonaining the Liberian Republic funds for the construction of interior roads.

The death of Professor S. F. B. Morse, President of the society, was alluded to in eulogistic
terms.

The following is the substance of the financial report as read:—The collections made in this State in behalf of African colonization are made through the agency of the travelling secretary of the American Colonization Society, who labors more or less in other States. The entire amount of his collections this year, including a portion of a bequest, is about \$18,000.

The election of officers was next taken up, and Rev. Benjamin J. Haight, D. D., newly elected hop of Massachusetts, was chosen President in Bishop of Massachusetts, was chosen President in the place of Professor S. F. B. Morse, deceased; Hon. Thomas W. Olcott, of Albany, Vice President, Vice Hon. Erastus Corning, deceased; Rev. Henry C. Potter, D. D., was chosen charman of the Exe-cutive Committee. The following were appointed delegates to Washington to the annual meeting of the parent society, to be held the third Tuesday in January:—Rev. Samuel D. Alexander, D. D.; Rev. William F. Morgan, D. D.; Almon Merwin, S. M. Buckingham, Theodore L. Mason, M. D. The meet-ing then adjourned. ng then adjourned.
